

Distech Controls appoints Regional Sales Manager, Australasia

[Montreal, Canada, March 21, 2023] – Distech Controls™, an innovation leader connecting people with intelligent building solutions, is pleased to announce a recent change to the company's sales organisation, Puneet Dhiman joins the Distech Controls team as Regional Sales Manager for the Australasia Region. With more than 25 years of experience in various sectors, Puneet will be responsible for developing sales channels across Australia, New Zealand, Papua New Guinea and the Pacific Islands, as well developing the necessary support infrastructure and resources to support the entire region.

Puneet is a senior executive and brings extensive experience in building technologies, covering P&L, product marketing and commercial management in large multinational, corporate environments. Prior to joining Distech Controls, Puneet was Head of the Pacific Zone for Healthcare at Johnson Controls in Australia. He has also held various leadership positions over his 12 years at Schneider Electric, in both Boston, USA and Melbourne, Australia. These roles included Global Director product management in BMS, Global Commercial Director leading the Fire Safety and Security business worldwide and National Solution Architect supporting sales execution efforts in various complex, large and strategic opportunities.

Puneet holds a Bachelor of Technology degree in Instrumentation and Controls engineering from the prestigious National Institute of Technology, Jalandhar, India.

"Connecting buildings and occupants with Distech Controls' innovative solutions for enhanced health, productivity and efficiency is critical to our mission and success in the Australasia region", said Ryan Sen, VP of International Sales at Distech Controls. "Puneet's industry experience and leadership will undoubtedly play an integral role in providing a world-class experience to our Pacific Zone Partners and End-User customers."
